

FSL Foods specialises in sourcing, manufacturing, distributing and selling a range of food products under the **Fruzio, Mission, Rio Dolores** brands.

FSL Foods sources speciality fruit products, breads, and sauces for the New Zealand food and beverage industry, from international and domestic suppliers. We supply directly to the food industry clients, and retail consumers. All our suppliers are internationally certified, annually audited, and have approved food safety plans. Quality is paramount, and we stand by our products 100%.

Food and beverage industry: We supply organic and conventional fruit juice concentrates, purée concentrates, fruit purées, and other speciality frozen fruits.

Export: We export processed fruit products to other Asia-Pacific markets.

Proud supporter of
Birds New Zealand

Fruzio brings healthy and affordable premium quality fruits and vegetables to New Zealand consumers. We carefully select our long term suppliers, ensuring that consistent quality and reliability is at the core of our relationships. Product integrity is important to us. Fruzio products are packed in 250g, 500g and 1kg transparent bags so that buyers can see the quality of the fruit at the time of purchase. We clearly print the country of origin on the front and back of each bag and we use materials that are suitable for recycling. Fruzio makes healthy eating truly affordable all year around.

Retail: individually snap-frozen fruits and vegetables, ambient/chilled fruit jellies manufactured with natural colours and flavours, and ambient fruit purées.

Food Service: individually snap-frozen fruits and vegetables, ambient sauces, syrups, juices and purées.

RIO DOLORES

Rio Dolores offers you genuinely healthy food with freshly blended flavours. Rio Dolores delivers mild, medium, hot, and extra hot salsas, plus Salsa Verde, Green Chile, and smokey Chipotle BBQ Sauce. The salsas have no thickeners, no stabilisers, no preservatives, and no sugar. Also, we use lime juice and apple cider vinegar to keep our salsas stable. Rio Dolores lifts any meal to a new level of deliciousness. It's a match made in heaven for those looking for low fat, gluten-free, egg-free, and dairy-free salsas made with fresh local ingredients and quality imported jalapeños.

Retail | Food Service

Mission Foods delivers international authenticity to New Zealand cooking professionals. From tortilla wraps, to more traditional gluten-free corn tortilla to unfried or prefried corn chips Mission products offer authentic flavour, and are the perfect base for allowing your ingredients to shine. Products are conveniently frozen-packed. From breakfast to dinner, appetisers to entrées and even desserts, Mission flat breads enable creative cooking at its best.
