

FSL Foods sources from international and domestic suppliers premium speciality fruit products for the New Zealand food and beverage industry.

We deliver organic and conventional fruits, juices, concentrates, purée concentrates, fruit purées, and other speciality frozen fruits. We are constantly following the global market to source the best possible products, at the best possible price. FSL Foods also offers contract manufacturing for start-up businesses. Our modern MPI approved factory and a knowledgeable production team means we can provide the most suitable solution for our customers: from product development to innovative packaging.
