

FSL Foods is the exclusive importer of Mission Foods in New Zealand. Originally founded in 1977, Mission Foods is one of the world's largest and most trusted suppliers of tortillas and wraps, with over 100 manufacturing sites worldwide. FSL Foods brings to the New Zealand market a range of Mission Foods frozen products from traditional corn and flour tortillas to tortilla chips.

- ✓ halal certified
- ✓ frozen product
- ✓ gluten free (GF) (corn only)
- ✓ multiple cuisine application

Products available

Flour wraps

Ideal for rolling and folding without cracking. The perfect foundation for world flavours. Use for fajitas, burritos, soft tacos, and quesadillas.

Superior product range with multiple cuisine applications. Flour wraps are a healthy bread substitute for any meal of the day, including snacks, and even desserts!

Size: 6", 8", 10", 12"

Corn tortillas (white and yellow) GF

Made with 100% whole grain corn and delivers superior taste and texture. All Mission® corn tortilla products are gluten-free, with zero trans fats.

White corn size: 6", 7"

Yellow corn size: 6", 7"

Pre-cut unfried corn chips GF

Crafted with consistently superior corn flour produced by Gruma's U.S Corporation. Available in a triangular shape, the frozen pre-cut unfried chips can be cooked in under 50 seconds and served hot immediately.
